## THE LEGACY SOCIETY

The Legacy Society of Boys & Girls Clubs of Chicago (BGCC) recognizes generous individuals who commit to supporting BGCC's life-changing after school and summer programs through a planned or estate gift.

## WHAT IS A PLANNED GIFT?

A planned gift is a thoughtful way to support an organization you believe in by arranging a gift today that will be made in the future.

Planned gifts are made through estate plans and include any of the following:

- Will or living trust
- IRA/retirement fund
- Charitable remainder or lead trust
- Life insurance policy
- Bank/brokerage account

As with any decision involving your assets, please speak to a professional when considering a planned gift to Boys & Girls Clubs of Chicago.

# YOUR IMPACT

The gift you plan today will ensure every child has the chance for a brighter future, tomorrow and for generations to come.

## Supporting Tomorrow's Needs Today

Most commonly, planned gifts are used to support the critical everyday operations of the Clubs, from basketballs and notebooks to field trips and mentors. By earmarking your gift to support Tomorrow's Needs Today, your gift will be used to fund BGCC's vital programs once it is received.

## Supporting "A Club for Life"

For the first time ever, your planned gift can be placed in an endowment, ensuring BGCC's children have "A Club for Life." Your gift to this fund will live on forever as only the annual earnings will be used to support BGCC's life-changing mission and growth in perpetuity.
