The **Woman's Board of Boys & Girls Clubs of Chicago** is hosting its **70th Annual Summer Ball on Friday, June 7, 2019**. The Summer Ball highlights the organization's mission of enabling boys and girls from some of the city's most challenging neighborhoods to believe in their ability to reach their potential as productive, responsible, and caring citizens.

Since 1902, Boys & Girls Clubs of Chicago (BGCC) has provided a safe haven for youth during the most vulnerable part of the day – after school. They serve more than 18,000 youth annually, across 23 Club locations, and give Chicago's children and teens a safe haven from the violence and struggles of their communities – a place to learn, thrive and grow.

With your support, kids that would otherwise lack the resources critical to their development find the opportunity to build skills in areas like **STEM**. They learn through hands-on **science experiments, coding classes, and field trips** your donation makes possible. Youth build their character with teen-focused leadership programs. They take part in anti-bullying workshops and grow their confidence with needed empowerment programs. Children find their talents because the Clubs expose them to everything from the **arts and fashion design to swimming and sports**. In communities ravaged by poverty, Boys & Girls Clubs of Chicago are life-saving, life-changing and life-long.

We ask you to please review the enclosed form and consider a donation for our carefully curated silent auction. If you have any questions or need additional information, please feel free to contact **Madeline Schimeck at the Boys & Girls Clubs of Chicago offices at (312) 235-8027 or mschimeck@bgcc.org**. We hope you will join our celebration of an incredible organization at this year's Summer Ball!

Warmly,
