Giving kids **confidence** for now, and a **million moments** from now.

Serving Chicago families since 1902, Boys & Girls Clubs of Chicago uses a comprehensive blend of mentoring and programming to provide youth ages 5 to 18 with the tools they need to become well-rounded and successful adults.

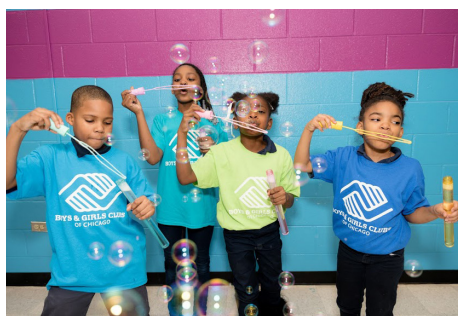

The out-of-school hours can be the most dangerous for young people. Boys & Girls Clubs of Chicago gives kids a safe place to go during that critical time and offers academic, social, and leadership activities for almost 20,000 youth each year in some of Chicago's most challenged neighborhoods.

At our Clubs, we match youth with professional adult mentors and give kids a place that is life-saving, life-changing, and life-long.

LIFE-CHANGING PROGRAMS

Studies have indicated that children born into poverty – nearly all of the youth served by Boys & Girls Clubs of Chicago – have a 40-60% likelihood of remaining impoverished throughout their lives.

Boys & Girls Clubs of Chicago plays a critical role in breaking this cycle of poverty. As a charter member of Boys & Girls Clubs of America, we offer programs that are nationally developed, time-tested, and outcome-driven. Boys & Girls Clubs of Chicago has the infrastructure, the relationships, and the expertise to break the cycle of poverty and enable our members to achieve their full potential.
