BOYS & GIRLS CLUBS
OF CHICAGO

YOUTH OF THE YEAR

YOUTH
2022
YEAR
OF THE
COMPETITION & DINNER

Youth of the Year is Boys & Girls Clubs of Chicago's highest local honor, recognizing exceptional Club members between the ages of 14-18 years old for their leadership, academic achievements and service to their Club.

After completing essays, interviews and a 10-week leadership development program, finalists grace the stage at our Youth of the Year Competition & Dinner for the final leg of their journey, a speech sharing their story before an audience of nearly 1,000 attendees, including Chicago's most notable business, philanthropic, and civic leaders.

One exceptional Club member will be named Boys & Girls Clubs of Chicago Youth of the Year, serving as an ambassador and role model for thousands of Club members across our city. This special event recognizes the hope embodied in each young person and the impact Clubs make in transforming lives and empowering great futures.

“The Clubs helped me keep a positive mindset, making all the difference in the world.”

OUR STORY

Giving kids confidence for now, and a million moments from now.

Serving Chicago families since 1902, Boys & Girls Clubs of Chicago uses a comprehensive blend of mentoring and programming to provide youth ages 5 to 18 with the tools they need to become successful adults.

Boys & Girls Clubs of Chicago provides kids a safe place to go after school, and offers academic, health and wellness, and leadership activities for more than 20,000 youth each year across Chicago's diverse neighborhoods.

BGCC's mission is the same today as it has been for over the past century: to empower vulnerable youth to reach their full potential as productive, caring adults.

LIFE-CHANGING PROGRAMS

Studies have indicated that children born into low-income families — nearly all of the youth served by Boys & Girls Clubs of Chicago — have a 40%-60% likelihood of remaining impoverished throughout their lives.

Boys & Girls Clubs of Chicago plays a critical role in breaking this cycle. As a charter member of Boys & Girls Clubs of America, we offer programs that are nationally developed, time-tested, and outcome-driven. Boys & Girls Clubs of Chicago has the infrastructure, the relationships, and the expertise to enable its members to achieve their full potential.
