About Boys & Girls Clubs of Chicago

Founded in 1902, Boys & Girls Clubs of Chicago's mission is to enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens. Serving thousands of youth annually, ages 5 to 18, Boys & Girls Clubs of Chicago (BGCC) works to provide members the emotional, educational, physical, and cultural resources that allow them to enjoy their childhood and thrive in adulthood.

Life-Changing Programs

BGCC has worked tirelessly to meet the needs of the children and teens who rely on our Clubs. The out-of-school programs at our Clubs have been essential in providing youth a respite from the stressors in their communities.

Core programming focuses on three key areas of youth development: Academic Success, Character and Leadership, and Healthy Lifestyles.

Boys & Girls Clubs of Chicago gives children and teens a place that is life-saving, life-changing, and life-long. Thank you for giving them *A Club For Life*.
